

# JESUS KIDS – LESSON 1

## GOD CREATED US

(GENESIS CHAPTER 1)

Haven't we seen our faces in the mirror (All of you look on the face of your neighbor and smile for a while). Who gave this beautiful face and form to human beings?

God has given us this beautiful face and form.

All of you close your eyes for some time. Can you see anything? NO. Can you say what all things are around us? NO. Now open your eyes, say what all things you see around you.

We see trees, people, sky, buildings, table, chair, books, plants, etc. around us. WE see all these through our eyes given by God.

Now all of you be silent for some time; and listen carefully to the sounds around you.

We hear these sounds through our ears. We are given nose for breathing and enjoying good smell.

The mouth is given for talking to others and eating food. We are given hands for doing work and legs for walking.

God has given us ability to sing, dance and draw pictures.

God has given us all these abilities only because He loves us. We must always be thankful to God for all these blessings.

### MORAL

God has created and takes care of all things in the world.

### PRAYER

God, we praise you for all the abilities and skills you have given us.

### MEMORY VERSE

(Genesis 1:1)

“In the beginning, God created the Heavens and the earth.”

## COLOUR THE PICTURE
