

JESUS KIDS – LESSON 5

JESUS HEALS A DEAF AND MUTE PERSON

When Jesus was walking along the coast of lake Galilee, some people brought a deaf and dumb man to Jesus.

The deaf man was not able to hear the melody of music, conversation of his fellow beings, sounds of birds and animals. He was not lucky to hear stories or songs like other children. He was not able to speak. Thus he was deaf and mute.

Some people took pity on this man they brought him to Jesus.

They explained to Jesus the pitiable condition of this man. They said that he was not able to hear or speak. They begged Jesus to place His hands on him to heal him. Jesus called this man to him and put his fingers on the ears and tongue of the man.

At once, the man was able to hear. He could hear the murmuring sounds of the branches of the trees swinging in the breeze, the noise of the crowd and twittering of the birds.

He tried to speak and he could speak. Imagine how happy he was. Those who brought this man to Jesus also became very happy. They returned happily praising God.
